SELECTION

Una serie che coniuga magistralmente l'essenza classica dei più pregiati ed iconici marmi italiani con la versatilità della ceramica.

L'eccellente interpretazione della materia originaria rendono MUSE ideale sia per architetture di tradizione che per progetti residenziali o commerciali di ispirata contemporaneità.

A new collection that combines the essence of the most precious and iconic italian marble with the versatility of the ceramic technology.

The superb interpretation of the original material makes MUSE perfect for traditional architectures as much as contemporary projects.

Statuario è il marmo più pregiato e prezioso da sempre, quello preferito da scultori e artisti per le loro realizzazioni. Impiegato sin dai tempi dei romani nell'arte scultorea per la sua lucentezza.

The Statuary marble is the most precious and valuable, and always has been the favourite amongst sculptors and artists for their creations. Used since Roman times in the sculptural art for its shine.

Calacatta è un marmo caratterizzato da una profonda e naturale raffinatezza esaltata da armoniosi passaggi cromatici che modulano le tonalità del grigio e del marrone attraverso sofisticati accenni ambrati.

Calacatta is characterized by a deep and natural refinement enhanced by harmonious colour variations. Grey and brown shades are valued through sophisticated amber hues.

Marfil è un marmo dal colore caldo e uniforme caratterizzato da una sottile venatura chiara: dal carattere discreto, raffinato e particolarmente adatto ad ambienti moderni e minimali.

Marfil is a marble with a warm and uniform colour, characterized by bright veins. Its delicate and refined look makes it perfect for modern and minimalist projects.
