

ATMOSPHERE & BOIS HOME propose une collection inédite et exclusive de mobilier. Construits à partir de bois récupérés de granges canadiennes et de planchers de wagon, nos meubles sont assemblés en Belgique de façon traditionnelle. Parallèlement à cette collection, notre équipe vous accompagne dans tous vos projets d'aménagement et de mobilier sur mesure.

ATMOSPHERE & BOIS HOME has a new, exclusive line of furniture. Made of wood recovered from Canadian barns and old wagon floors, our furniture is assembled in Belgium using traditional methods. Parallel to this collection, our team can help you in all your interior projects and custom furniture.

DIMENSIONS (mm)

Tous nos plateaux de table sont réalisés sur mesure à partir de bois de récupération. Les longueurs maximales varient en fonction des essences. L'épaisseur maximale n'excède pas 40 mm excepté pour «OAK Beam» disponible en 60 mm.

All our table tops are custom made from reclaimed wood. The maximum length depends of the type of wood. The maximum thickness does not exceed 40 mm except for «OAK Beam» available in 60 mm.

A minimalist composition featuring a light-colored wooden shelf at the top and a black metal frame on the right side. The shelf has a small, dark, semi-circular mark in the center. The text "SHELVES & CONSOLES" is centered in the white space between the shelf and the frame.
